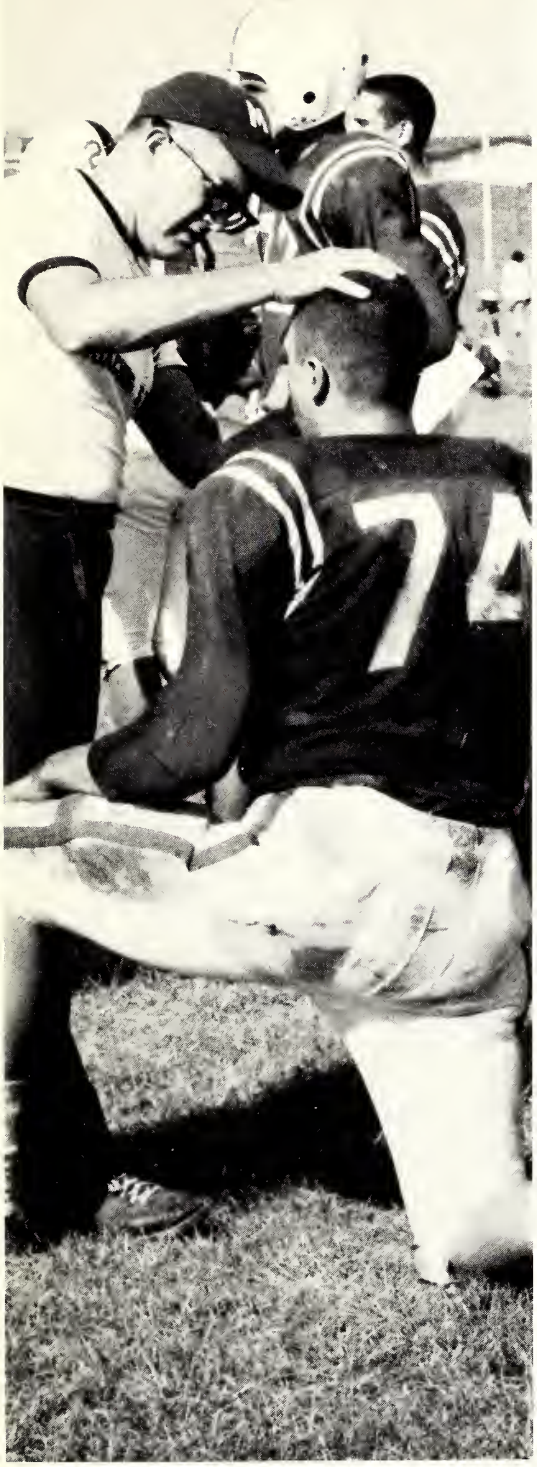
This year we tried our best. . .

to work

to play

to laugh



to be strong

to pass on, unforgotten in the minds of those left behind.

EXCELLENCE—mental, spiritual, and physical—is a goal which can be reached only through careful emulation of worthy people, through persevering study not only of an academic type, but also of the nature of right and wrong, and through keeping the body, as well as the mind and soul, fit and healthy.

To this excellence, not perfection, but excellence according to the ability of the individual—

we dedicate

A new record . . . fifty-one words a minute, eighty-three mistakes!

Sir, are you implying that Winchester should merge with Manchester?!

But, we DO have a team this year!

one more day.

Snack time comes for counselors too.

SOON THEY WILL BE SENIORS--THE UNDERGRADS OF TODAY, WHAT WILL THEY REMEMBER, WHAT WILL THEY SAY?

"We will remember our first day at high school,
It was kinda scary but kinda cool.
Then there were our first football and basketball games
And learning countless World History names.
Tests and term papers, a prom and class rings--
They were a part of our undergrad things:
The work is hard but we have no sorrow
For we are to be the leaders of tomorrow."

Undergrads

Frantic Freshmen Fight For Fame

Here's some examples of a typical day.
Spend it with us the Freshman way.

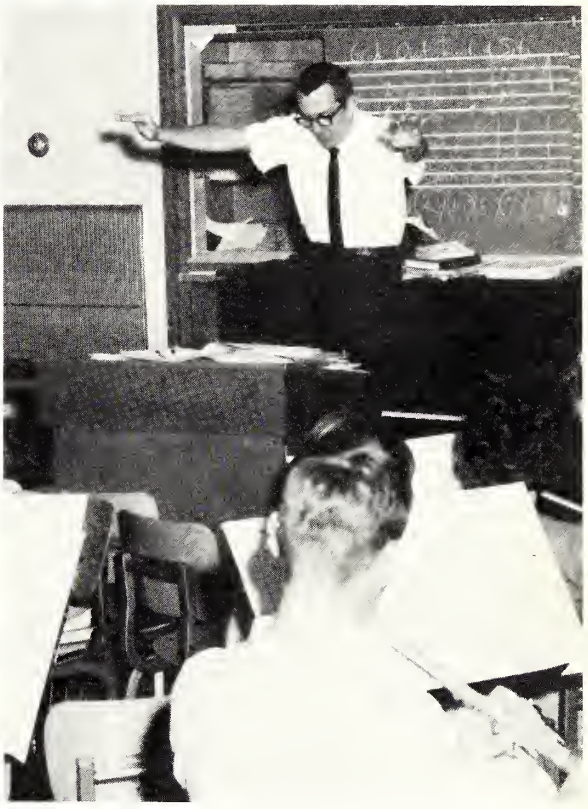
An earthy subject we'd like to discuss,
In scientific terms one year is a must.

A machine to Mr. Brewer is a must
To keep away all chalky dust.

A special lecture to increase our knowledge,
It's three years before we go to college.

A gym-dandy way to pass this course,
Is to try your best for better or worse.

Great Expectations and grammar too,
Are some of the things we frosh must do.



This leader of the bands says, "One, two, three."
A passing comment heard, "Spike Jones maybe?"

The freshman class has initiated a novel idea in fund raising at M-RH—each member must pay one dollar annual dues. This plan is to alleviate the problem of raising money with paper drives, car washes and other time consuming activities. The class sponsored a booth in the Student Council Carnival in December, which also provided it with extra money.

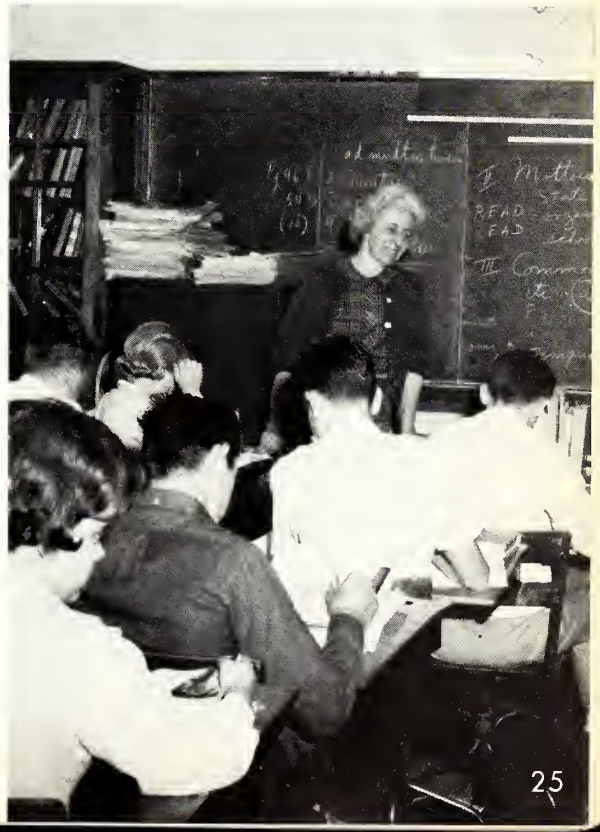
Essence of Excellence

Mrs. Hamlin, one of Maplewood's finest teachers, is concluding her regular teaching career this year. She has used her talents to give M–RH freshmen a fine background in social studies and to give all M–RH pupils the basic reading skills which are essential to success in school.

We, the students of Maplewood, wish to thank you, Mrs. Hamlin, for your truly excellent service.



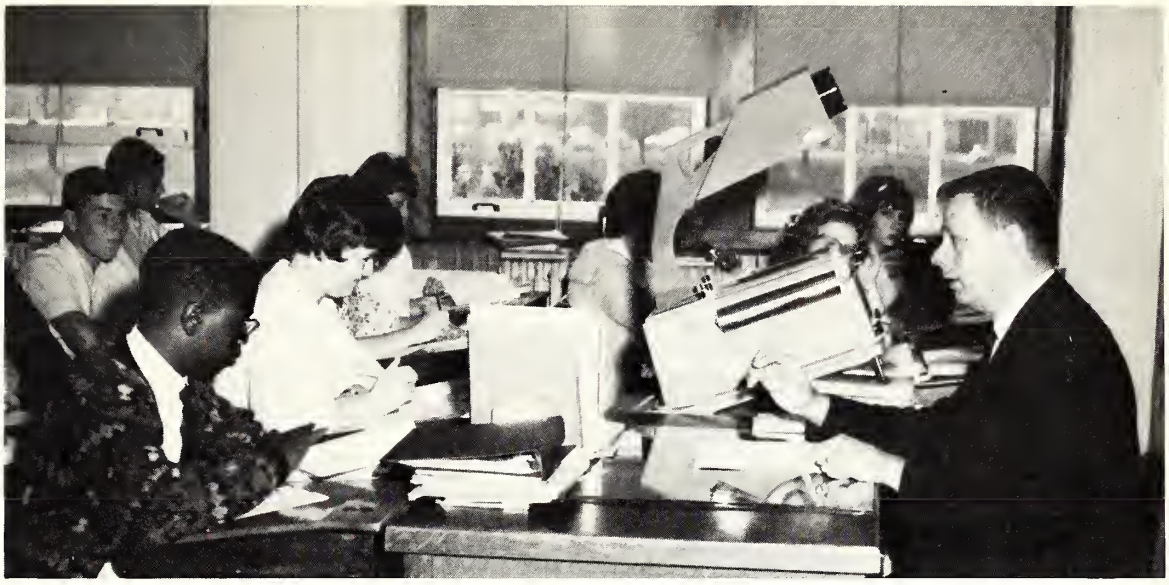
Striving Sophomores Seek Success

Here's a tough question we asked the learned ones,
Is it true, really true, do worms have more fun??

Two! Two! It's our sophomore year,
And our busy day shall be discussed here.

The rain in Spain can be discussed with those
Whose abilities increase as their vocabulary grows.

How compound or complex can a sentence be??
Only the diagramming sophs can really see.



Mr. Detering's *really* got a line!!!
He's also got an angle. . . a plane . . . etc.!

A Latin lover?? Maybe not!!
But for those who stick with it, the reward is a lot!!

Happiness is . . . Mr. Arft's history class!!
Security is . . . Studying so you know you'll pass!!

Engaging in many activities this year, was the sophomore class, who began their money-making campaign with a very successful car wash. In December, a basketball free throw booth aided the Student Council carnival in their success. An organ recital provided divertissement for the entire school assembly in January.

TODAY'S SENIORS—
TOMORROW'S LEADERS

We have learned many things here,
Four years have taught us not to fear
The unknown but to walk with heads held high,
And face the future without a sigh.

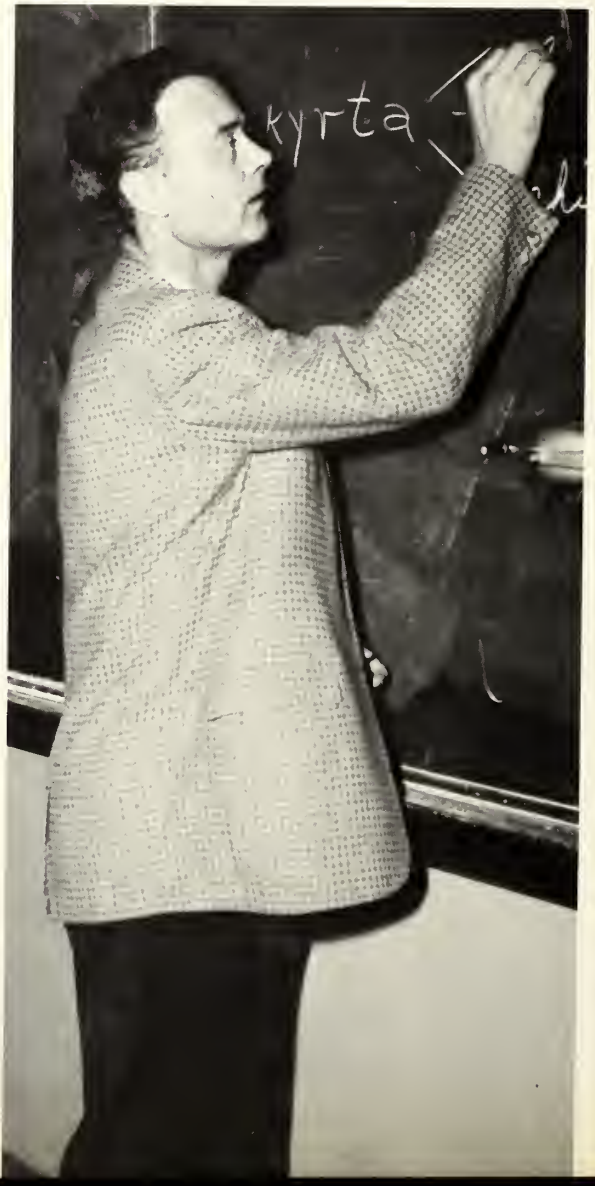
As we go on our separate ways,
We'll not forget the happy days,
The dances, the proms, the victories sweet
That made our stay here complete.

Seniors

Lordly Leaders Leave a Lasting Legacy

"and the saints come marching in!"

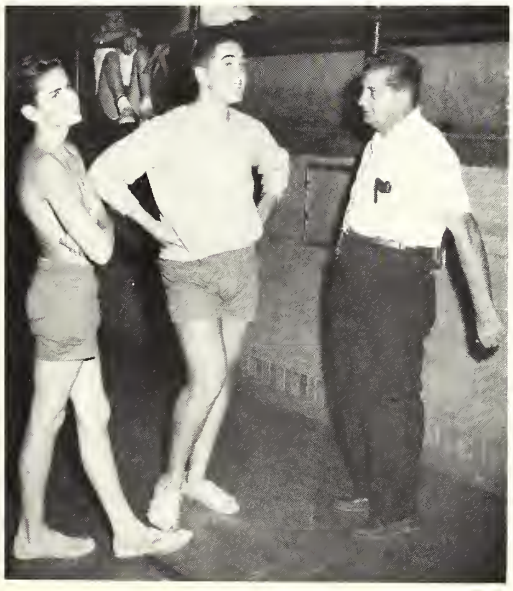
You say that's Mr. Detering?



Ha! And here's one I saw on the fourth floor.

Actually, these dedicated students are creating another sordid edition of *Playboy* magazine.

These students are reading it!



That's it—then watch 'em swoon!

It may not be milk and honey, but it's the best the cafeteria has to offer.

The senior class took the lead in many school activities ranging from the Student Council to the Senior Tri-Hi-Y. The heads of many organizations were seniors, and the vast majority of the senior class were active in the various school organizations.

Early in the year, the seniors participated in the Student Council Carnival. In the spring, the class sponsored the traditional senior prom. Working with other groups, the seniors were able to make their graduation a memorable one.

ASK NOT WHAT YOUR SCHOOL CAN DO FOR YOU—ASK WHAT YOU CAN DO FOR YOUR SCHOOL . . .

No matter what you'd like to do,
You'll find a club that's just for you.
Is chess your fancy? Or perhaps you're full of spirit—
Well join the Pep Club so we all can hear it.
There are groups that work like the stage hands,
And others that play like the dance and marching bands.
Our Council helps to run our school,
And the Foreign Exchange Club gets a student who is cool.
There are clubs for athletes and clubs for scholars.
And one of these clubs will give you happy hours.

Neither rain nor cold nor school board kept the M-RH marching band from practicing. This year, the band was up against the elements as well as the school board which had ruled that no one could get on the field until the night before a game. In spite of these hindrances, Mr. Jean Chard was able to keep his band in shape for home games.

For the fifth consecutive year, the band was summoned to appear in the Veiled Prophet Parade by His Mysterious Majesty. The band marched 5 1/2 miles through the streets of St. Louis to the sounds of "Oh Shenendoah" and "Stars and Stripes Forever".

On the heels of marching season, came concert season, opening with a public "pop" concert and an all school Thanksgiving assembly. Lincoln Portrait, a special narrative sketch of the 16th president of the United States, was presented in a Lincoln Assembly. Dennis Affolter read the narration.

This year, the M-RH music department played host to the annual county music festival. Music groups from all over the county participated in the contest on our field.

Rounding out the year were various grade school concerts. The finishing touch was furnishing the stands of "Pomp and Circumstance" for the Class of 1965 graduation.

The orchestra members, in order to understand better the music which they play, have been learning about the lives of the composers before playing their works. The two high points of the year were the Christmas and Spring concerts.

Two of the orchestra's members participated in symphony orchestras outside of school. First 'cello Marian Clark is a member of the Washington University Symphony Orchestra, and Robert Kinnard, second 'cello, is a member of both the Maplewood-Richmond Heights and the University City Symphony Orchestras. The director, Mr. John Dolan, plays at many musical events in the city, including the Little Symphony and the Gateway Festival Orchestra.

The year of effort was completed with the annual Dance Band Festival which put them in competition with other area dance bands.

Members of choir sang at several local grade schools, made their annual trip to the state hospital, presented a Christmas program for the public and for the school, performed with the Maplewood Symphony Orchestra, participated in the spring music festival, and presented an assembly which staged acts from several Broadway plays. In addition to performing, members learn to be better musicians through the study of music history and theory.

This year's talent show was a unique performance. The scene was a teen dance television show, and the performers, both musicians and dancers, were live and talented. The students, with the help of the art department, completely produced and directed the show.

The show was unique from the standpoint of talent displayed also. The performers created acts devoted to modern music, which were interspersed with a folksinging group, a political song designed for laughs, and the guitar music of Lita Culebras.

This new "twist" in shows seemed to delight both the performers and the audience.

Time did not find the 1964-65 Student Council standing still. Preparing for the coming year in the council, four of the newly elected officers attended a Missouri Association of Student Councils workshop at the University of Missouri.

Under the heading of service projects, the council contributed to the Teenage March of Dimes and worked with the Maplewood Fats and Leans to back a Christmas canned goods drive. The Student Council store, the Maple Chest, continued to serve students.

In order to preserve the tradition of having a foreign exchange student at M-RH there was a close coordination between the Foreign Exchange Club and the Student Council. Twenty-eight school organizations sponsored booths, ranging from a bucking barrel to a Spanish coffee house, at the jointly sponsored carnival. Next the two clubs put little black books out of style with the publication of Buzz Books, listing the names, addresses, and phone numbers of all Junior and Senior High students.

A Look At Lita

My first introduction to AFS exchange program came through the exchange of two of my elder brothers when they were sixteen. This is the reason for which I applied for the scholarship of the AFS program.

When the 29th of June (a date I will never forget) arrived and I learned I was accepted, I felt like a different person. I was not a girl any more, I was almost a grown-up woman!

On the 12th of August I boarded the plane at Madrid's International Airport, together with 60 French, 6 Portuguese, 59 Spanish. The trip was an un-forgetable experience. After 8 hours we found ourselves in New York. My very first impression was the difference in climate: inside the plane we still had Madrid's weather: as soon as the plane door opened, a humid wave slapped my face. None of us could believe we were in America. IN AMERICA. it was like a dream!

My first days in America were a little confusing. I had to make a big effort to speak and try to understand English all day long. My head was an encyclopedia of names, and of course I couldn't match the right person with the correct name. All the faces looked the same to me, NEW! This confusing period of time soon passed. Very soon I became acquainted with everybody and everybody with me.

I could not be any happier, and I was too busy and amused to be homesick. From the very beginning I loved my American family, the Evan's, who made me feel at home all the time.

My year in the U. S. has marked a change in my life. It has been the most wonderful experience I've ever had. I will never stop thanking the A.F.S. and the Maplewood students who have made this exchange program a fact. Thank you, America.

The Foreign Exchange Student Club began this year with a new constitution and a new advisor, Mrs. Ethel Harter. The time and energy of this club are devoted to raising money and finding a suitable home for the following year's exchange student.

A carnival in December and a buzz book for both senior high and junior high students were among the projects of the Foreign Exchange Student Club. Both of these were accomplished through the help of the Student Council.

From bucking barrel rides at one end to a dart game featuring your favorite teacher as a target at the other, the carnival filled the M-RH gymnasium with gay and frantic activity. Although this project was jointly sponsored by Student Council and the Foreign Exchange Club, almost all the other organizations at Maplewood aided in this fund and fun raising activity for the exchange program.

The carnival—fun for all.

"I accept the challenge of the lighted torch. I pledge myself to uphold the high purposes of this society to which I have been elected, striving in every way, by word and deed, to make its ideals the ideals of my school."

This is the pledge recited by all newly elected members of Torch, the M-RH chapter of the National Honor Society for high school students. Under the guidance of Miss Joanne Kilsberg and Miss Juva Sharp, students were selected on the basis of their high standards of character, scholarship, leadership, and service. The main objective of this organization is to instill the challenge of high scholastic endeavor in its members.

The math fraternity entered its fifth chartered year of honoring students who have excelled in the study of high school mathematics. With the induction of 25 new members through a November evening initiation, Mu Alpha Theta started a season of delving further into the vast world of numbers. A session of topology, another on logic, and a guest speaker from the University of Missouri stimulated interest among the young mathematicians.

Qualifications for admission into this exclusive club are a straight B average in math, and an overall scholastic record of B. An invitational letter notifies a person of his desired membership. The math club is under the supervision of Miss Lucille Smith.

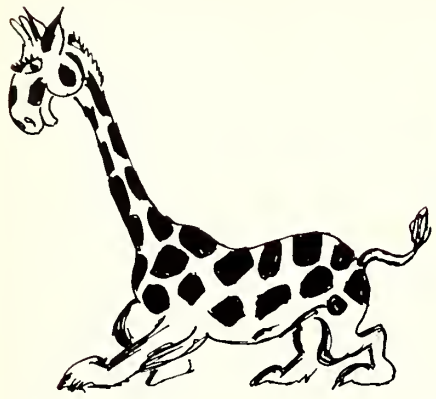
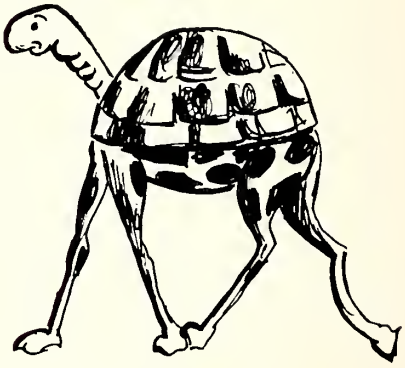
"Animal Lore and Disorder" or Who's Who in the Zoo

Have you ever noticed how certain people remind you of animals? After working on an annual page, after page, after page until 5:30 a.m. just to meet a deadline, we have found that the animal characteristics become much more apparent. Therefore this year we decided to present the staff as we often picture each other. If you notice—most of these creatures are combinations of animal traits which proves that annual staffs are very "unique" breeds.

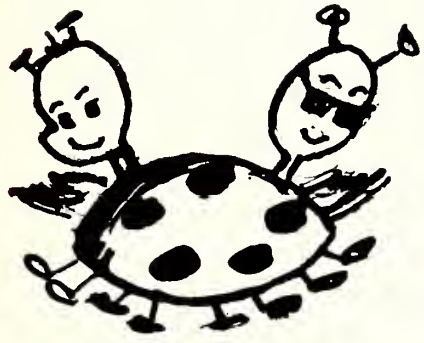


Giron (Debbyem Dowleyus)
This is the tallest (NO!) animal in the world. It is quite harmless, and doesn't make any sound at all, but it has been known to eat annual staffs alive.

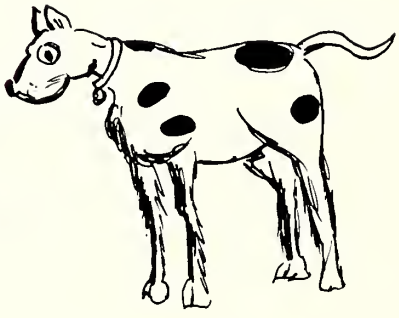
Cog (Charlottem Omohundrous)
This animal loves the farm. It sometimes bites the postman in the mornings by mistake.



Toraffe (Vickiem Grahamus)
This animal is a very slow mover. It can always see any enemies approaching on account of its very long neck.



Shutterbugs (Davidem Hydus and Dennisem Kleislyus)
It is hard to tell if this bug is coming or going because it is constantly being shuttled in every direction by demanding annual staffs.



Doose (Franim Rusanus)
This animal is one of the best friends of man, and annual staffs. Undergrads often go to the wilds of the pub office to look for it.

Lihund (Johnem Carnasiotisus)
This is a very fierce animal indeed. It springs on other animals with a loud roar but it can be trained to be intelligent as well as a friendly household pet.

Copy Cat (Jackius Hickmanem)
This animal leaves black prints and is easily typed. Her feline talents are devoted to clever sweet nothings, while her cattiness is especially noted in this work.

Wise One Owlus (Jorge Shockeyus)
This bird can be recognized immediately by its constant cheerful chirping. It works most efficiently and becomes more serious, however, late at night.

Seceros (Dianem Loyetus)
This is an animal that loves swimming. It doesn't mind hot water at all and will often charge a man in a very dangerous fashion.

Zoo Keeper (Mr. Robert deJong)
Caught in a quandry, the zoo keeper can often be found buried in books searching for a way to control and guide the animal inmates of the pub office.

The first orphan was a Belgian baby who soon died of malnutrition. Since that time the club has sponsored such needy children as Mario Carugati of Italy, a boy maimed by an explosion during the war; Halyna Tschiniak, a Russian girl who moved from one refugee camp to another, suffering during this time from tuberculosis; and Park Won Hi, a Korean girl left impoverished by the war. At present Guiseppina Mottani is our foster child. Collections from the student body send $15.00 a month for supplies and gifts at Christmas and in the spring.

In the spring seniors in the club spent several days observing teachers in the Maplewood - Richmond Heights School District.

Students work during the afternoon; in the morning they take physical education, a class related to their C.O.E. job, a C.O.E. class, and a class of their own choosing. Some of the jobs this year included nurses aid training, bank and other office work, and mechanical work.

Der Deutsche Verein, which until last year was in reality only a name, has exploded into the most socially active organization in the school. The purpose of Verein is to acquaint the members with German language, literature, and culture. The varied activities this year have led to an overwhelming increase in the active membership over the previous years.

One of the most enjoyable activities this year was the Verein's trip to Kiel Auditorium to see Johann Strauss' Viennese operetta "Wiener Blut". Bratwurst and Sauerkraut were the main dishes at the annual progressive dinner, which demonstrates the major role assigned to food at Verein activities.

A second scene from the Christmas play shows Mary (Martha Bringewatt) and Joseph (David Hyde) meeting the Wise Men (Robert Waterhout, Rick Dreyer, and Ron Cooper).

To increase their knowledge of French culture, students banded together to form the French Club. The sponsor, Mme. Judson, was the hostess at the traditional Christmas party, which included, in addition to French games and food, informal discussions about Christmas in Spain with Lita Culebras. Also, Abe Jardines, a refugee from Cuba, told about Christmas on his former island.

Service is the purpose of the Maple Leafs. The organization was created only a few years ago by Dr. Del Pizzo. As a matter of fact, these girls meet on Wednesday, twice a month and their all star cast of achievements includes the annual fall hayride and spring picnic, a splash slumber party at the Mid-County YMCA, and the instigation of plans to bring to M-RH an "all-out" homecoming. The unique darkhorse idea of this group was the purchase of exclusive "Senior '65" sweatshirts.

The Senior Tri-Hi-Y meets twice monthly at the homes of various girls.

The Senior nine spice the sports scene with novel cheers and lively jumps. Their year-round practices perfect cheers for the school sporting season. Although the biggest crowds cheer with the cheerleaders on the gridiron and the roundballers court, a major effort was made this year to increase spectator attendance at track, wrestling, and baseball contests.

Men of Might—M-Club

The existence of a Lettermen's Club at Maplewood was quite evident during the '64-'65 school year. The services performed by the M-Club included the purchase of banners to decorate the gymnasium, the establishment of an all male cheering section at basketball games, and heightening school spirit at M-RH.

To fulfill the qualifications for membership in the M-Club, a boy must have earned at least two athletic letters at Maplewood or be voted membership by a two thirds majority of present members.

The next big crusade for the M-Club is the completion of an athletic "Hall of Fame" to be in the lobby. It is to honor former Maplewood athletes who have gone beyond high school in athletic endeavors.

The Girls Athletic Association is one of M-RH's most active organizations. Its purpose is to impart skill in athletics, leadership and good sportsmanship to its members.

A rare tribute was paid to the senior class by the election of all senior members to the cabinet and office posts.

GAA sponsors all girls' sports, both varsity and intramural. For participation the girls receive points towards pins and letters.

In the social scene the girls' yearly highlight, the backwards dance, galloped in from the old west for a Western Rendezvous. Saloon girls, alias the cabinet, danced to entertain every one.

GAA participated in the carnival this fall, also, to raise funds for the Foreign Exchange Student.

The finale of this active club was found at the Green Parrot Restaurant where the annual banquet was held. At this banquet the officers of the '65-'66 year were announced through novel speeches. Points, letters, and honors also were awarded.

A DEVILISH COMMENT OFTEN HEARD . . .
THE LEAVES ARE ALONE – ON TOP!

Football starts a sports filled year
As Devils fight to conquer foes.
In basketball we are without a peer
As another great season clearly shows.
On the mat we prove our skill,
As on the field in golf and track.
Striving always to make the victory bell peal
Our Devils are great. And that's a fact!
But don't forget that girls play too,
Or the managers and coaches who are always there
Doing their job with thank yous few
To make our teams the best anywhere.

Although compiling a non-impressive 4-5 won-lost record, the 1964 Blue Devils still managed a third place tie finish in the newly formed Little Nine League.

The team play was spiced with ups and downs throughout the season. The one point victories over Clayton and Berkeley, the crushing of Pattonville, the triumph over arch-rival Mehlville and the determined effort in a losing cause against St. Louis University High will not easily be forgotten.

The surprising non-conference loss at the hands of Brentwood and the 33-0 rout by Cleveland will also be remembered as will the first Maplewood defeat in 35 years by a St. Charles team.

Devils receiving post-season honors were headed by First Team All-Conference and Second Team All-District guard, John Carnasiotis. Steve Smith, All Middle Six Fullback of last year, was named First Team All-Conference, Little Nine.

Maplewood's All Conference pass receiving ends of 1963, Mike Hoeferlin (First Team) and Bill DeHeer (Second Team) both received Honorable Mentions this year.

Tackles Walt Mutert and Don Kramer also received Honorable Mentions as did center Allen Sanders.

Coaches

The 1964 Maplewood football coaches displayed the essential quality of instilling the team with a sense of pride and desire to win. The football coaching staff under the leadership of Head Coach Charles Seng, worked countless hours to provide Maplewood with as fine a football team as possible.

Through the work of these men, already striving towards the 1965 season, continued success should be forthcoming.

Frosh

The freshman football fortunes at Maplewood were bleak during 1964 as the injury-riddled frosh squad, playing an extremely tough schedule, finished with a winless 0-5 season.

The valuable experience gained in freshman football will no doubt, be invaluable to these boys when they play varsity ball next year.

Maplewood's hopes and expectations were crushed in the Webster Groves Regional by arch-rival Christian Brothers College. The defeat incurred by the Cadets brought to mind the similar defeat again by C. B. C. in the Clayton Regional two years ago. In 1963 as in 1965 the Leafs were considered by many, to be *the* outstanding basketball team in Missouri.

The 24-3 season started off as Coach Howdy Sander's ball club grabbed a first place in the Maplewood Tournament and five straight victories before stumbling at Southwest on December 15. From then on the Leafs won 17 straight contests including first place in the Green Division of the Normandy Christmas Tournament, first place in the South County Tournament and resounding victories over top ranked clubs such as Ladue and Webster. For the third consecutive year the Leafs won the all-important South County League title, with a perfect mark of 7-0.

The second loss of the campaign occurred at McCluer on February 23.

The first-seeded Leafs entered the Webster Groves Regional tournament as heavy favorites to win out and compete in the state tournament on March eighth. A first round shellacking of Chaminade set the stage for the crucial meeting with C. B. C. The Leafs raced to a first quarter lead but the half-time score showed the Cadets behind by a single point. When the final gun sounded, C. B. C. had pulled the "upset of the season" in the St. Louis area, and handed Maplewood the third and most disheartening defeat of a truly brilliant and successful season.

The team showed the remarkable ability to "pick itself up", that is, when one or even two players were having "off nights", the other players carried the scoring load, Steve Presley, Rick Coughenour, and Dave Bosworth were particularly successful at this.

Again this year Maplewood fans spoke of "the Trio" (reminiscent of center Matthew Aitch and guards, Glen Huff and Bob Lange) when they spoke of center, Bill DeHeer and backliners, Bob Wachter and Mike Hoeferlin.

Coach Howdy Sanders said of DeHeer, "He is probably one of the best high school basketball players in the entire state of Missouri." He led the team in every department except for free-throw percentage.

Wachter and Hoeferlin both, had 15 points + averages, as compared to DeHeers 23 points per game, and were both considered scoring threats from all over the court.

Coach George Arft deserves "Coach of the Year" award at Maplewood for his success in guiding his B-Basketball team to the South County Championship, first place in the Conference Tournament, and a one point overtime victory over Webster Groves B-Team, which won the Big Ten B-Team tournament.

The team, led in scoring by Jim Britton, finished with an 11-7 won-lost record. Included were five contests decided by one point (Maplewood won four of the five).

Sometimes plagued by injuries and many times lacking height, the B-Team never lacked desire and hustle. Many players proved themselves to be prospects for next year's varsity squad, with their performances on Maplewood's best B-Team in years.

The freshman basketball team, coached by Jack Taylor, this year found out what high school basketball was like. The team finished with a 3 and 7 won-loss record, with Jerry Spiker and Dennis Wilson providing most of the scoring punch.

A SOFT MURMUR OF SHEER DELIGHT . . .
THE WAY YOU LOOK TONIGHT.

Whirling dresses, a transformed gym.
Proms, and a dance where she asks him.
Queens and their courts are a pretty sight.
And help to liven a wonderful night.
Great fun is had by one and all.
At Maplewood we have a ball.

Homecoming Queen Miss Kathy Bentley

The Final Touches

Spirit blazes with the bonfire.

A raging bonfire kicked off Homecoming festivities for Maplewood this season on Thursday night, November 12. At the close of the pep-raising rally, football coach, Charles Seng, announced the 1964 Homecoming Queen and Maids.

The next evening the Maplewood gridiron team fought a tough battle against St. Louis University High, but came out on the losing end of a 33-21 game.

Saturday night, a dance was held in the school gymnasium to climax the Homecoming weekend. At this time Coach Seng once again presented the Queen and the Maids attending, in addition to his football team.

— a brief pause for slow dancing in the midst of the battle of the bands.

Coach Seng lines up the senior backbone of the team.

From left to right: Dale Satory, Senior Maid Penny Matlock, Tim McCreight, Junior Maid Christy Palmer, JASPER, Coach Seng, Sophomore Maid Sue Gluck, Steve Presley, Queen Kathy Bentley, and Bob Hawthorne. Not pictured: Freshman Maid Cindy Chapman.

King of Two Courts—Bob Wachter

Rendezvous Royalty

COURT—*Row One:* Vicki Graham, dance cabinet manager; Bill Gruendler, freshman jack; Jim Britton, sophomore jack; Sandy Freeman, GAA. treasurer. *Row Two:* Joann Dawes, GAA secretary; Jim Brown, junior jack; Bob Spiker, senior jack, Toni Palumbo, GAA vice president. *Row Three:* King Bob Wachter; Kay Conley, GAA president.

Four of a kind and King Bob Wachter made up the winning hand at this years Backwards Dance. The four jacks were: freshman Beau Gruendler, sophomore Jim Britton, junior Jim Brown, and senior Bob Spiker. Set in the old west, the cabinet kicked up their heels in a lively can-can. Decorations set the mood from the swinging saloon door entrance to the crystal chandelier, suspended from the center of the ceiling.

CABINET—*Row One:* Peggy Dubrouillet, Kathy Bentley, Stathie Follias, Ann Gluck, Jane Stevens. *Row Two:* Vicki Smith, Janet Steger, Bonnie Bruce, Penny Matlock, Betty Peterson, Diane Benz.
